

POWER DIVIDER, 2 PORT, 0.5-6 GHz, SMA FEMALE

PN: PD-0560-050-02SF

Proudly Made in the USA

Custom Manufacturing
for OEM Procurement

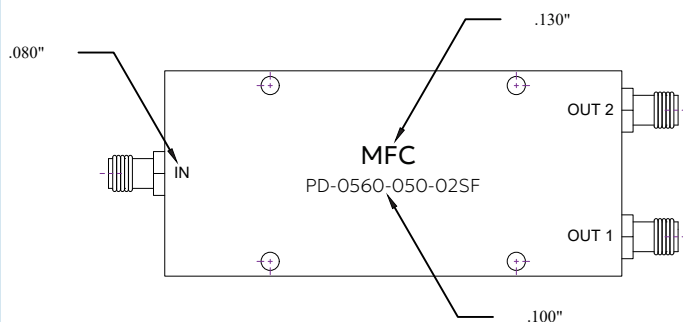

50+ Years of Experience

Interference Stops Here

OUTLINE DIMENSIONS

PRODUCT SPECIFICATIONS

Number Of Outputs	2
Frequency Low MHz	500
Frequency High MHz	6000
Isolation dB Type	23
Insertion Loss dB Type	0.7
Input Power as Splitter with MAX	50
Connectors	SMA

Leader in the design, development, and manufacture of high-quality filter products since 1967.

Our team is experienced in serving:
